

## Join the Nordic Summer Vibes in Vaasa 2026

### Carpe Diem!

Vaasa will host the **Nordic U20 Match Championships in Athletics on 4 – 5.7.2026**. Carl's Stadium will be the place where young athletes from Denmark, Iceland, Finland, Norway, and Sweden will fight for the best positions for their team. Join the excitement!

We offer companies and organizations a partnership, and at the same time, a chance to support the local sports movement. Athletes are born through diligent association work, and we need support from the business community. Here are the alternatives.
